INTRODUCTION

These are the official rules and procedures for the Primetime Emmy Awards. Although published both on the Television Academy's website and in booklet form, the definitive version will always be the one on the website, because it can be updated and amended as necessary.

These rules have been reviewed for the 2019-2020 awards and, as specifically noted in the text (in bold), revised by the Television Academy Board of Governors.

The Primetime Awards Committee, on behalf of the Board of Governors, is the final arbiter of any and all Primetime Emmy Awards eligibility matters.

Category placement will not be finalized until 72 hours prior to the posting of the nominating ballots. Entry in a category or issuing For Your Consideration video assigned to a category does not assure placement in that category. If you have a question about category placement, please contact the awards department.

ENTRY PROCEDURES

1. **Entry Deadline:** Entries will be accepted online until **6:00 PM (PT) on June 5, 2020.** All entries, whether the program has already aired or will air/post by May 31, MUST be entered by **June 5 (see hanging episode rule 14c and 14d).**

2. Entries may be modified by the entrant (by contacting the awards staff) until 5:00 PM on **June 5, 2020.** An example of a modification would be the replacement of the episode submitted for judging with another eligible episode. No modifications will be allowed after the nominating ballots are posted (**July 2**).

3. Programs and individual achievements **unexpectedly scheduled for airing** after the entry deadline has passed should contact the awards@televisionacademy.com.

4. Programs and individual achievements **in preparation but not completed** by the time of the entry deadline (**June 5**) must still be entered by **June 5.** If upon viewing the completed program the entrant decides to not submit, the entry can be withdrawn.

5. Producers may enter their programs for nominations in all categories. Individuals may enter themselves (and their team, if the entry is for a team achievement) for specific individual awards.

6. In most categories/areas an eligible individual or the identical team may enter multiple achievements per category or area if the achievements are for different programs. Categories excluded from this rule are directing in comedy and drama series, directing for movies/limited series, directing for variety series and specials and technical direction for series and specials. In the case where a producer makes an entry for an eligible individual or team, it is the producer’s responsibility to inform them that the entry has been made on their behalf.

7. It is a general principle of this competition that a single achievement is limited to a single bid for an Emmy, i.e., every entrant is eligible to place their achievement in only one appropriate category. Final approval of category placement is determined by the Primetime Emmy Awards Committee.

8. In the case of entries that include multiple entrants, the person making the entry must submit all eligible entrants, not just themselves or a partial list of entrants. **Only those individuals with an eligible credit and who have made a significant and substantive contribution to the achievement entered are eligible. When there is an eligible entrant who does not wish to participate in the competition, documentation must be received from the individual not entering, stating that they are aware of the entry and does not wish to be included.**

PLEASE NOTE: The Board of Governors of the Television Academy have set numerical caps on the number of entrants who can be submitted in numerous categories of the competition. Peer Group Executive Committees may recommend cap waivers to the Primetime Awards Committee in cases where the rule of substantial contribution (above) calls for their consideration.

9. It is often the case that an agent, manager, studio, production company or broadcast entity will facilitate the entry by submitting the form, but the individual who is listed as the "entrant" is considered by the Television Academy to be the person who has made the entry.

10a. Eligibility is based on screen credit. Producers may not alter an individual’s screen credit in order to qualify the individual for Emmy eligibility. Entries not supported by final and definitive credits (as determined by the Awards Committee in conjunction with the relevant peer group executive committee) are ineligible.

10b. An eligible entrant may use their legal name or a pseudonym, but whatever name is used must appear in the credits or verified by the production.

11. Next of kin may make an entry on behalf of a deceased relative.
12. Correct entry information is the responsibility of the entrant. The Television Academy is not liable for incorrect ballot listings that are the result of incorrect information on the entry forms.

13. If an entry is made in the wrong category and the error is not discovered until it goes to the voters on the nomination ballot, it will be disqualified. If the Television Academy makes an error that leads to an incorrect categorization on the nomination ballot, a correction will be issued.

14. Ineligible entries will be disqualified at any stage of the competition.

### ENTRY FEES

Entry fees are based on the number of individuals submitted.

1. Individual achievement entries have a processing charge of $100 per submission. In addition to the $100 processing charge, each entrant is charged a $100 entry fee per individual listed on the entry, e.g., for an individual achievement entry (commercials, costume design, editing, sound editing, etc.) with two entrants, the processing fee is $100 + $200 entry fee (for a total of $300 for the entry).

2. Program entries have a processing charge of $200 per submission. In addition to the $200 processing charge, each entrant included with the submission is charged a $100 entry fee, e.g., the entry fee for a program entry (comedy series, limited series, documentary, etc.) that has four producers, the processing fee is $200 + $400 entry fee (for a total of $600 for the entry).

Television Academy National Active and Associate members will continue to receive an entry fee discount on up to two entries.

Entry fees must be paid online by credit card by June 5, 2020. Please note that entry fees, including the processing fee, will not be refunded for incorrect submissions.

### MEMBER FEES

1a. Television Academy National Active and Associate members receive an entry fee discount on up to two entries. This benefit means that for an entry where the member is the sole entrant, the $100 processing fee and the $100 entry fee is waived. For an entry with multiple entrants, the member’s portion of the processing fee is waived in addition to the member’s $100 entry fee. Additional entries will require the full entry fee. (Each member submitting an entry will need to enter their member number on the entrant page of the online form to receive their entry fee discount.) Member numbers are non-transferable.

1b. In the case of an entry with multiple individuals, be it for an individual achievement or program, each individual may enter their membership number to cover their portion of the entry fee. The member number can be found on the front of your membership card. If you do not have your membership card, please log into your account at televisionacademy.com/members.

2. Non-members pay their portion of the processing fee based on the number of individuals submitted and their $100 entry fee. If a non-member entrant joins the Television Academy prior to March 10 (application submitted and paid), their portion of the processing fee and their entry fee will be waived as long as their member number is added to their entry by June 5, and prior to payment being made.

3. National Academy of Television Arts & Sciences memberships are not valid as entry fee waivers.
CRITERIA FOR ELIGIBILITY

Criteria relating to the eligibility of individual achievements:

- eligibility will be considered on a case-by-case basis
- individual achievements originated for or derived/adapted from a medium other than television (e.g., the costumes for a Metropolitan Opera production subsequently taped for broadcast) are ineligible
- individual achievements originated for television or simultaneously originated for both television and another medium (e.g., costumes for a joint production of a program designed to be presented live on stage and live/recorded on television) are eligible

1. Programs (and individual achievements within them) are eligible for nomination if they were originally aired (6:00 PM - 2:00 AM) during the current eligibility year (i) by broadcast to at least 50% of the total potential U.S. television market, (ii) by pay/basic cable transmissions (including by way of example so-called basic cable, pay cable, pay television and interactive cable), or (iii) by broadband to markets representing at least 50% or more of U.S. households, or (iv) Interactive Media entries that were widely and openly available on a public website. Entries that were available only in a limited number of physical locations, through closed or “invitation only” websites, or exhibited solely at conferences, shows, events or festivals, are not eligible.

2. To be eligible, a program must have its "premiere" airing during the eligibility period. This "premiere" must be the first airing and promoted and reviewed as such. Preview screenings, which are aired late-night or posted on the internet and are not promoted or reviewed as such, will not qualify as an eligible "premiere."

3a. Where there is a program that is eligible for placement in more than one category, the producer has discretion (excluding nonfiction/reality programs) with the final approval of the Industry Review Panel to enter the program and its individual achievements in any category where they are eligible. The placement of a program automatically directs the placement of all individual achievement entries, e.g., if a program is placed in comedy series, performers must follow in comedy series categories (or, where there is no such direct correspondence, the most appropriate category, unless otherwise noted).

3b. A program that has entered in one category one year may appeal to move it to another category in any subsequent year, with the understanding that the change locks it into that category without the opportunity for another recategorization.

4a. Game shows initially broadcast in primetime during the hours of 8:00 PM and 2:00 AM Eastern Time and the corresponding primetime period in other time zones are to be judged and presented as a part of the Primetime Emmy Awards competition and ceremony. Game shows broadcast prior to 8:00 PM are eligible in the Daytime Emmy Awards.

4b. Game shows that fall short of Primetime and Daytime eligibility because they lack more than 50% penetration in either Daytime or Primetime time periods (but have a total Primetime-plus-Daytime penetration of greater than 50%) are eligible to enter in either the Daytime or Primetime Emmys (in accordance with eligibility rule 4b). Producers of programs that have both a daytime and nighttime version must choose one or the other for entry in either the Daytime or Primetime Emmy Awards. A syndication market listing is required for all syndicated entries.

4c. Game shows initially transmitted at 8PM ET on a single feed network, e.g., via the internet or some cable platforms, reach less than half of the country at 8PM ET and more than half the country prior to 8PM ET (7PM CT + 6PM MT + 5PM PT), and therefore they qualify as national programs in the Daytime rather than the Primetime competition. However, with a multiple feed network, we count the primetime feeds in each time zone, e.g., an initial 6PM ET feed + a subsequent and separate 6PM PT feed = over 50% of the country receiving its own, separate, 6PM feed.
5. Game shows and any program that gives a prize or is itself a contest and/or competition must enter as a Competition Program.

6. Extended-length episodes of series may only be entered in the series area and may not be entered as movies, limited series or specials.

7. Entertainment News Programs airing nationally between the hours of 6:00 PM and 8:00 PM may choose to compete in the Daytime Emmy Awards.

8. Foreign television production is ineligible unless it is the result of a co-production (both financially and creatively) between U.S. and foreign partners, which precedes the start of production, and with a purpose to be shown on U.S. television. The producer of any production produced in the U.S. or outside the U.S. as a co-production between U.S. and foreign partners, in a language that is substantially (i.e. 50% or more) in a language other than English, shall have the discretion to enter the production and its individual achievements in any category where they are eligible in the Primetime Emmy Awards competition or in the awards competition of the International Academy of Television Arts & Sciences ("International Academy"), but not both. The Primetime Emmy Awards currently have no current categories for non-English program categories; if such categories are to be created, the Television Academy will give the International Academy at least eighteen months’ (commencing no earlier than January 1, 2019) notice prior to such effect; creation of new non-English categories will not affect the International Academy categories and the producer shall have the option of entering the existing Primetime Emmy Awards category or the new Primetime Emmy Awards non-English category or the International Academy category for which eligible, but may enter only one such category.

9. A program that had eligibility in a prior awards year or another Emmy competition or is a foreign acquisition without benefit of a domestic co-production cannot be re-introduced into eligibility in the current awards year, even though it may have been modified with new footage, sound track, musical score, etc.

10a. Television programs that are offered for “general theatrical release” occurring prior to their airing or Internet exhibition are not eligible. A “limited theatrical release” prior to the airing or Internet exhibition of the television program cannot exceed an aggregate of up to seventy (70) days prior exhibitions. A program with a prior theatrical release loses eligibility if it does not air within a year of its initial public exhibition, regardless if this is or is not a general release. Film festival screenings do not count as theatrical screenings. Showing a foreign television program that otherwise qualifies as an eligible foreign co-production under the Rules shall not be disqualified because of a prior limited theatrical release.

10b. Single-day mass releases, e.g., hundreds of theaters on one date, disqualify a program for subsequent Emmy eligibility, unless it meets the requirements for Exceptional Merit in Documentary Filmmaking.

11. Telethons aired for the purpose of raising money for political parties are ineligible.

12. No program (along with its individual achievements) previously entered in any other national Emmy competition (Daytime, News and Documentary, Sports, Engineering or International) is eligible for the Primetime competition. No Emmy broadcast (including its individual achievements) of any kind is eligible to enter the Primetime Emmys.

13. Programs first broadcast during primetime hours, which are an extension or a special of a daytime series, are eligible in the Daytime Emmy competition, but no longer eligible in Primetime.

14a. An ongoing series or intended series (excluding documentary/nonfiction and animation) that is cancelled or discontinued and five or less episodes first aired in the current eligibility year, the series is ineligible for program category entry. However, individual achievement eligibility for “orphaned” episodes of a series that has previously qualified for series program eligibility may be eligible so long as the entry complies with the specific eligibility rules for the category. Please note that series body-of-work individual achievement
entries are not eligible. These categories include: lead and supporting performers, writing for a variety series, casting, stunt coordination and, where the body-of-work entry option is chosen, picture editing and cinematography for reality programming.

14b. Shortened seasons for series: Once a show is established as a series, if additional shortened seasons are added (fewer than six episodes), it would still be considered a series, unless it was limited to one or two episodes (which would categorize it as a movie and a limited series respectively).

14c. **Hanging episodes for series** eligibility: To qualify for eligibility in the current eligibility year, the series must have premiered by the end of the eligibility year (May 31, 2020). If the series has one or more episodes that falls into the subsequent eligibility year, those episodes must be broadcast or posted on an accessible platform by June 30 to gain eligibility for the current eligibility year. A minimum of six eligible episodes are still required to qualify for series eligibility.

14d. **Hanging episodes for limited series eligibility:** To qualify for eligibility in the current eligibility year, the limited series must have premiered by the end of the eligibility year (May 31, 2020). If the limited series has one or more episodes/parts that falls into the subsequent eligibility year, those episodes must be broadcast or posted on an accessible platform by June 30 to gain eligibility for the current eligibility year, provided the complete limited series is made available by the June 30 deadline. If those episodes/parts are not able to be broadcast/posted by June 30, then the complete limited series, along with the individual achievements, will be eligible in the subsequent eligibility year.

**Criteria for series and limited series:**

- Episodes must be posted by June 30, 2020
- Episodes may be posted on a private online platform accessible only to Television Academy membership.
- Episodes must be the same in form and content as when they later appear in their regular time slots.
- The subsequent airing of the episodes must be broadcast prior to the end of nominations-round voting (July 13).

15. Clip shows, year-enders, best-ofs and anniversary specials must be entered as specials. Previously-aired material from the past two eligibility years is limited to no more than 35% of the program's total running time in order to be eligible. (Inclusion of material originally aired prior to June 1, 2018 is considered "historic" and does not negatively affect eligibility.)

16. A "special" episode of a primetime series can petition the Primetime Awards Committee to be entered as a stand-alone special in a non-series category or area, but only if it was not part of the regular series order from the network or involves a significant and substantive format change throughout, e.g., from whole-episode live-action to whole-episode animation. The Primetime Awards Committee will determine if there are factors which allow the program to be entered as a "special" such as: whether the running time differs from that of the series episodes; whether writers and cast members are different from those on the series; whether there are differences in the program format; whether the story content is designed as a complete arc containing a beginning, middle and end rather than an open-ended serial-style and similar considerations. The main title must be different and the program must be promoted as a special.

17. Syndicated programs that have reached a cumulative audience of at least 50% of the total potential U.S. television audience during the eligibility period, but not 50% exclusively in Daytime or Primetime, may enter either in Daytime or Primetime, but not in both. A producer may enter the program where it had the highest percentage of original airtimes, or the competition where the appropriate category appears. 50% coverage must be met during the eligibility year. A syndication market listing must accompany all syndicated entries.
18. If a program is comprised of more than one segment, an individual entrant must enter his or her segment only.

19. Where there is a minimum percentage of screen time for an achievement to gain eligibility, and that minimum is not met, the achievement is ineligible to enter elsewhere in the competition.

20. Short form programs and individual achievements are only eligible in existing short form categories or individual achievement categories that do not specify either a genre or program length.

21. An anthology series may enter either as a series or may choose to break up the series into individually entered stand-alone programs. The anthology series title will parenthetically follow the title of the stand-alone programs.

22. Self-Published Programming: Any program that is self-published (programming without financial or creative involvement from a network or studio) will be vetted to determine if the program is suitably competitive to be included on the nominating ballot. No individual achievement within a self-published program may be entered if the program is not approved for the ballot.

### NOMINATION VOTING PROCEDURES

1. Ballots will be posted on **July 2**. The deadline to vote is **10:00 PM (PT) on July 13**.

2. All members are entitled to vote for outstanding program nominations. This rule does not include animated programs, **children's programs**, or documentary/nonfiction program categories (only selected peer groups will have access to the nominating ballot for animated programming and **children's programming** and only the Documentary peer group members will have access to the Documentary/Nonfiction Specials and Series ballots).

3. Peer groups have access to the ballots pertinent to their membership (see Appendix for breakdown).

4. **HYPHENATE BALLOTS**: Ballots outside of their peer groups may be requested by members whose credits would allow them voting privileges in those peer groups, e.g., a producer member who also has the requisite writing credits may additionally request a writing ballot. The deadline for applying for additional ballots is **April 7**. Current members will be notified in March. If you do not receive the notification, please e-mail the membership department at membership@televisionacademy.com. Members must reapply every four years to receive hyphenate ballot(s).

5. Quid pro quo and block voting are considered by the Academy to be in violation of the spirit and substance of the member code of conduct clause that deems any action or activity which could reasonably be construed as contrary or detrimental to the best interests of the Academy to be a violation of the code. Emmy voting is meant to reflect an individual voter’s opinion rather than an ad-hoc group’s mandate.

   Per Paragraph 14 of the rules book chapter on ENTRY PROCEDURES, ineligible entries will be disqualified at any stage of the competition. The intent of quid pro quo and block voting is to illegitimately advance an entry to a nomination or a nomination to a win. Although the entry, nomination or win may or may not be deemed ineligible, members found to be engaged or otherwise complicit in quid pro quo and block voting shall have any votes cast invalidated and be disqualified from subsequent voting in the Emmy competition.
NOMINATION PROCEDURES

1. Nominations will be based on the number of submissions receive in a given category:
   - 0 – 80 submissions = 5 nominations
   - 81 – 160 submissions = 6 nominations
   - 161 – 240 submissions = 7 nominations
   - > 240 submissions = 8 nominations

The following exceptions will apply:
   - Comedy Series and Drama Series will have eight nominations
   - Actor and Actress categories for the same genre/category designation, i.e., supporting actor comedy and supporting actress comedy, will have parity in the number of nominations.
   - Categories with fewer than 20 submissions
     - 0 – 7 submissions = submissions will be screened by the appropriate peer group for nomination; any entry that receives nine-tenths approval will receive a nomination
     - 8 – 11 submissions = 2 nominations
     - 12 – 15 submissions = 3 nominations
     - 16 – 19 submissions = 4 nominations

In addition:
   - The 2% rule has been eliminated for all categories

5a. In the case of ties, the closest number to the targeted number of nominations will prevail, unless there are fewer than three or more than seven nominations, in which case the Primetime Awards Committee will determine the number of nominations.

5b. Ties that include the possibility of the total number of nominations being 1 number from the target number of nominations break in favor of the higher possibility, e.g., 4 or 6 breaks to 6.

5c. Ties that include the possibility of the total number of nominations being 2 numbers from the target number of nominations break in favor of the lower possibility, e.g., 3 or 7 breaks to 3.

5d. Ties that include the possibility of the total number of nominations being 3 numbers from the target number of nominations are resolved by the Awards Committee, e.g., 2 or 8 does not automatically break and must go to the Awards Committee for a final decision.

5h. In some categories, there are different types of programs ("Tracks") vying for the requisite nomination slots in a system where the number of nominations are meted out proportionately to the number of entries, provided that there is a minimum of three entries for a given track. There is the possibility of ties within a given track.

6. Nominated achievements may be withdrawn from nomination by a sole nominee or all nominated members of a team. Individual nominees on a team may withdraw themselves, but the nomination will stand as long as at least one team member remains.

8. Errors and Omissions: Except for cases where the omission of a name is a Television Academy error, there will be a flat fee of $250 for each individual added between July 28 and August 11. The final date for errors and omissions (including the names of eligible individuals not on the list exchanged for nominated names on the list) will be August 11, 2020.

9. Each nominee agrees that any film, tape recording, screenshot, photography or supplemental printed material that is furnished to the Television Academy by or on behalf of the nominee in connection with an entry may be retained by the Television Academy for file.
reference and archival purposes and may be viewed partially or in its entirety for judging purposes. All of or portions (i.e. “clips”) from any such film, tape recording, screenshot, photography or supplemental printed material may be used on or in connection with the presentation and/or broadcast and/or other exhibition and/or promotion of any Emmy Awards Ceremony, including but not limited to any internet exhibition of such films, tape recordings, screenshots or clips from the same and/or supplemental printed material and use in connection with promotional announcements or other promotional activities for any of the foregoing; use of such films, tape recordings, screenshots or clips from the same and/or photography or supplemental printed material may involve use of other parties’ name, voice and likeness rights, and such rights shall be subject to clearance by or with the assistance of nominee, as Television Academy may direct, and the nominee indemnifies the Television Academy against any claim of unauthorized or unlicensed use of any material.

10. Nominee tickets: Nominees who are members of the Television Academy will receive two complimentary tickets to the appropriate awards presentation and dinner. Creative Arts non-member nominees may purchase one guest ticket to the presentation and ball for $375, Telecast non-member nominees may purchase one guest ticket to the presentation and ball for $750, or non-member nominees may choose to join the Television Academy (membership fee $250, which includes a $50 non-refundable application fee) and receive one guest ticket at no extra charge.

### FINAL-ROUND EMMY JUDGING

1. Final-round voting will take place August 21 – August 31.

2. Only National Active Television Academy members who were eligible to vote in the nomination round are eligible to vote in the final-round. Individuals who join the Academy after the nomination round will not be eligible to vote in the final-round.

3. Nominees are not eligible to vote for themselves in the final-round of voting.

4. National Active members from all peer groups are eligible to vote on the program categories (except animated, children’s and documentary program categories).

5. Judging of individual achievement categories is restricted to peer judging (e.g., only writer members may judge writing categories, only director members may judge directing categories, etc.) unless otherwise indicated.

6. Peer groups determine the judging systems for their peer group. Emmy judging can be a yes/no vote (yes, the nomination is worthy of an Emmy or no, the nomination is not worthy of an Emmy) or a single vote for the top selection.

7. Nominated Drama and Comedy series programs, including Short Form Comedy and Drama Series are required to submit any six eligible episodes for final-round judging. The episodes must be the usual running time of the series episodes. Extended-length episodes will count as two episodes.

PLEASE NOTE: The minimum number of episodes that need to be broadcast during the eligibility year to qualify for all series (excluding Documentary or Nonfiction Series, Hosted Nonfiction Series or Special and Animated Series) will be six. (An exception to this rule would be an established series that added a shortened season to the series order.)

8. The length of an episode submitted for individual achievement may exceed, by as much as double, the standard running time of the series episodes. Extended length episodes must be originally aired in one continuous time block with a single main title card and a single end credit roll. If the episode airs in two parts, both parts must have the same episode title and may be selected (excluding Special Visual Effects) as long as they do not cumulatively exceed twice the standard running time of the series episodes.
9. Upon nomination, every Emmy Award is conditioned upon the delivery of a correctly prepared digital file of the nominated achievement to the Academy, unless otherwise indicated.

PLEASE NOTE: Digital files must be of acceptable quality for viewing, with correct audio and video reproduction. Unless otherwise noted, files must be in the same form and content as originally broadcast, minus commercial breaks. Failure to provide judging materials will result in forfeiture of the opportunity to win an Emmy.

10. Quid pro quo and block voting are considered by the Academy to be in violation of the spirit and substance of the member code of conduct clause that deems any action or activity which could reasonably be construed as contrary or detrimental to the best interests of the Academy to be a violation of the code. Emmy voting is meant to reflect an individual voter’s opinion rather than an ad-hoc group’s mandate.

Per Paragraph 14 of the rules book chapter on ENTRY PROCEDURES, ineligible entries will be disqualified at any stage of the competition. The intent of quid pro quo and block voting is to illegitimately advance an entry to a nomination or a nomination to a win. Although the entry, nomination or win may or may not be deemed ineligible, members found to be engaged or otherwise complicit in quid pro quo and block voting shall have any votes cast invalidated and be disqualified from subsequent voting in the Emmy competition.

**EMMY WINNERS**

1. All votes are tabulated by the accountants, and winners are announced at the Creative Arts Awards on September 12 and September 13 and the Primetime Telecast on September 20. The Emmy will be presented to the individual(s) specifically listed with each nomination. In the event that more than one eligible individual is credited with the winning achievement, each individual will receive an Emmy.

2. The Emmy may be accepted by a designee in those cases where the awardee has died or become permanently disabled.

3. Because there are often changes in the rosters of nominees between the nomination press release and the winner press release, the winner press release will be considered the final and definitive source of winner information (based on the final and definitive nomination information used by the accountants to prepare the winner press release).

The intent of issuing commemorative Emmys is to give studios, production companies and networks the opportunity to display, in a corporate or public space, the Emmy Awards for programs that they produced or broadcast.

All commemorative Emmy orders are subject to the approval of the Primetime Awards Committee.
CATEGORIES

AREAS

JURIED AWARDS
AWARDS DEFINITIONS

1. Category
   The definition of a category award is a single, must-give award that is the result of head-to-head competition with the highest vote-getter receiving an Emmy.

2. Area
   An awards area is non-competitive. Each nomination is considered on its own terms without regard to the other nominations in the area. The voting procedures for area awards are listed under each specific area award.

3. Juried
   In a juried award, all entrants are screened by a jury of appropriate peer group members and one, more than one or no entry is awarded an Emmy. There are no nominations. The winner(s), if any, are announced prior to the awards presentation. Deliberations are open and arguments pro and con the giving of an Emmy to an entrant is discussed. At the conclusion of the deliberation on each entry, the jury votes on the question, "Is this entry worthy of an Emmy award - yea or nay?" (and, as with all parliamentary-procedure votes, there is the option to abstain). Only those with unanimous approval win. If there is a single dissenter in a panel comprised of no more than twelve jurors who cannot be convinced to change their vote, the chair may rule that the award will be given in spite of that single dissent. Two dissenters in a panel comprised of 13 to 24 jurors may be over-ruled (with a single dissenter added to each increment of twelve, e.g., three for a panel of 25 to 36 jurors, four for a panel of 37 to 48 jurors, etc.).

4. Rule of Fourteen
   If for two consecutive years the Board of Governors identifies that there are (or would have been had the category been in place) fourteen or more entries that define such a significant, specialized and distinct achievement that they no longer are represented adequately within an existing category, they may, at their discretion, separate these entries into a new category.

   If for two consecutive years there are less than fourteen entries in an existing category, they may, at the Board’s discretion, be combined into a related category (which, in consultation with the applicable peer group, could become an area).

### ANIMATION AWARDS

**Juried 1 OUTSTANDING INDIVIDUAL ACHIEVEMENT IN ANIMATION**
For a single episode of a series or a special

An individual may enter multiple achievements if the achievements are for different programs.

A panel of judges from the Television Academy’s animation peer group determines this juried award.

For all entries: artwork must be originally created for the submitted episode, and no stock will be accepted unless it was created specifically for the submitted episode. Artwork which was previously submitted in a prior awards year is not eligible – please see additional note under Background Design.

Materials submitted should best represent the artist’s creative process and finished artwork. Additional supporting artwork may be submitted to show the artist’s thought process in achieving their final work.

If possible, artwork should be signed by the artist and director or producer. The purpose of the signatures is to ensure that the artist, director and/or producer are aware that the entry is being made and that the correct entry materials are being submitted. If signatures are not able to be obtained (no longer employed, out of country) entry will still be accepted. If you’re unable to obtain signatures, please include a brief written statement explaining why.

This category is for the individual artist who created the original artwork – supervisors and leads are only eligible if they themselves created the artwork submitted.

Job titles vary from studio to studio – if you don’t see your job title listed or are unable to provide requested materials but would like to enter, please contact the awards department at 818.754.2825.
Please note:
Individuals who work on animated programs are eligible in the following individual achievement categories:

**Category 3 OUTSTANDING ANIMATED PROGRAM**
For a single episode of a series or a special

A minimum of three episodes must air within the current eligibility year to qualify as a series.
Emmy(s) to the producer(s) whose credit is Executive Producer, Co-Executive Producer, Supervising Producer, Producer, Produced by, Animation Executive Producer or Animation Producer - responsible for all creative phases of the animation production process from pre-production to post-production; the writer(s) whose credit is Writer, Written by, Story by or Teleplay by; the director(s) whose credit is Director, Directed by, Supervising Director, Assistant Director, Animation Director, Timing Director or Timer. All eligibility is subject to approval by the animation peer group executive committee.

During each eligibility period, all eligible, credited writers of animated programs who qualify for an animation program award are considered as one of the group of participants who are entitled to receive the Emmy(s) for any such program. The team includes writers, producers and directors.

However, any eligible writer may elect to opt out from being such a team participant and instead may enter the competition in any applicable individual achievement writing category. For example, a writer on an animated comedy series may choose to enter in the Writing For A Comedy Series category rather than with the animated program team, and a writer on an animated special may choose to enter in the Writing For A Limited Series, Movie Or Dramatic Special category. Likewise, any eligible writer on any other series episode may choose to enter in an appropriate writing category.

Please note that per the “one-achievement, one-entry” rule, a writer may not have dual eligibility in both animation and writing categories for the same episode or special, i.e., no “double dipping.” However, a writer who is eligible in the program category may enter a different episode from the same series in a writing category without having to opt out of the program category. Writing teams (two or more writers of the same episode or special) must remain a team and may not split their entry.

Clarification: In cases where the entry was created by a separate show runner and production house, numerical caps shall be set for those directors, writers and producers eligible on the episode or special chosen for entry, as follows:

- a maximum of four directors
- a maximum of three writers
- a maximum of fourteen producers

The total number of entrants is capped at 21 without restrictions based on a producer’s employer (either the production company or the animation house) - with all eligibility subject to approval by the animation peer group executive committee. And because some producers may contribute to the entry as writers, the show-runner making the entry may list them as "producer/writer" among the three writing slots, with those producer-writers who did not contribute to writing the entry entered among the fourteen slots for the producers.

PLEASE NOTE: The nomination slots in the Animated Program category have two tracks – half-hour programs and hour or more programs. The number of nominations will be proportionate according to the entries received for each track with the caveat that there will always be one slot reserved for the highest vote-getter among the hour or more programs, provided that there is a minimum of three entries for a given track. However, if there are zero votes in the one hour or more track, all nominees will emerge from the half-hour track.

In general, this category will have five nominations but may have more if there is a tie, in either track, among the highest vote-getters. [Please see rule 5 under Nomination Procedures for the full explanation of ties.]

Nomination requirement: A digital upload of the program will be requested at the point of nomination.

The animation content of either a fully animated or animation and live-action program must be at least 65% new animation to qualify the program for entry in an animation program category.
An animated program may be entered in a category either according to medium (animation) or content (comedy, children’s).

If entered in a live-action program category, producer eligibility is based on the eligibility for that category. Writers enter separately in an appropriate category.

Animated series are nominated for a single episode. If entered in an animation program category, only those producers, directors and writers credited on the submitted episode are Emmy-eligible.

**Category 4 OUTSTANDING SHORT FORM ANIMATED PROGRAM**

For a single episode of a series or a special

This category is open to original short form primetime animated programs **with an average episode running time of two minutes to 17 minutes** and recognizes entries from over-the-air, cable, satellite and internet exhibition. For web-based programs, the animated content is typical to primetime audiences rather than daytime children’s audiences. Content must be original.

A minimum of three episodes must air within the current eligibility year to qualify as a series.

Emmy(s) to the producer(s) whose credit is Executive Producer, Co-Executive Producer, Supervising Producer, Producer, Produced by, Animation Executive Producer or Animation Producer - responsible for all creative phases of the animation production process from pre-production to post-production; the writer(s) whose credit is Writer, Written by, Story by or Teleplay by; the director(s) whose credit is Director, Directed by, Supervising Director, Assistant Director, Animation Director, Timing Director or Timer. All eligibility is subject to approval by the animation peer group executive committee.

Web-based programs will be reviewed and approved as appropriate for this category by the Award Committees of the Television Academy and of the National Academy of Television Arts & Sciences; any entry which is not mutually approved by the Award Committees may not be entered in this category. The decision of the Awards Committees is binding on the entrant.

**ELIGIBILITY RULE:** In cases where the entry was created by a separate show runner and production house, numerical caps shall be set for those directors, writers and producers eligible on the limited series, movie or special chosen for the entry, as follows:

- a maximum of four directors
- a maximum of three writers
- a maximum of fourteen producers

The total number of entrants is capped at 21 without restrictions based on a producer’s employer (either the production company or the animation house) – with all eligibility subject to approval by the animation peer group executive committee. And because some producers may contribute to the entry as writers, the show-runner making the entry may list them as “producer/writer” among the three writing slots, with those producer-writers who did not contribute to writing the entry entered among the fourteen slots for the producers.

Animated series are nominated for a single episode. Only those producers, directors and writers credited on the submitted episode are Emmy-eligible.

Nomination requirement: A digital upload of the program will be requested at the point of nomination.

The animation content of either a fully animated or animation and live-action program must be at least 65% new animation to qualify the program for entry in an animation program category.
ART DIRECTION AWARDS

Emmy(s) to production designer(s), *art director(s) and set decorator(s), if applicable.

*Note: if an entry has a credited Supervising Art Director, the supervisor will be the sole art director entrant. 2nd unit and reshoot credits are not eligible. **The Assistant Art Director who is functioning as the Art Director on a half-hour show is able to be submitted (with a petition) for Emmy consideration, but only if that show does not have another credited Art Director.**

The initial entry may be submitted by any team member and must include the whole team. When there is an eligible entrant who does not wish to participate in the competition, documentation must be received from the individual not entering, stating that they are aware of the entry and does not wish to be included.

An individual or the identical team may enter multiple achievements in a production design category if the achievements are for different programs. The Peer Group Executive Committee (PGEC) will review all screen credits for entrant eligibility on submitted programs. All eligibility is subject to final and definitive review by the PGEC to determine principal creative contributions. The decision of the PGEC with the concurrence of the Primetime Awards Committee is definitive and final.

Entries are capped at a maximum of three entrants for conventional domestic programming (with prior team eligibilities of more than three entrants not allowed to grandfather into current team eligibility). Proposed additional entrants for an entry beyond the cap of three will be considered on an individual basis by petition to the PGEC by the Production Designer or Art Director (if no Production Designer is credited). A petition form must be filled out in its entirety. Petition entries with incomplete or missing information will not be considered.

**Petitions:** Any petitions for additional entrants must be received by the entry deadline. Petitions cannot be submitted for the department head. Department heads (production designers and set decorators) must be entered in the three eligible entrant slots before non-department heads. It is the responsibility of the submitter to fill out the petition correctly/fully and provide sufficient details to support the petition. No appeals will be accepted to try and qualify after PGEC has denied a petition. Petitions received after nominations are announced will not be considered.

A job description must accompany any screen credit/job title submitted outside of the standard credits (production designer, art director, set decorator), e.g. production buyer/scenic designer, which will require approval by the PGEC.

In the case of multiple New York production designers, the PGEC will seek additional information in the form of a job description/responsibilities. The PGEC’s review and decision on the eligibility of additional petitioned entrants will be final.

Individuals without screen credit must provide a deal memo or letter from a credited executive producer to establish an eligible job title.

PLEASE NOTE: All production design awards are area awards. An area award is non-competitive. In the final judging round each nomination is considered on its own terms without regard to the other nominations in the area. Any nomination with at least 90% approval receives an Emmy. If none of the nominations receives 90% approval, the nomination with the highest approval receives the Emmy.

Nomination requirement: A digital upload of the program/episodes will be requested at the point of nomination.

**SPECIAL ENTRY INSTRUCTIONS FOR SERIES ENTRIES IN ALL AREAS:**
For a series _not_ in its premiere season, 2/3 screen time or 2/3 set count of the submitted entry(s) must be in new sets or locales for design team to qualify for submission.
If the series entry has a prior team, in either a past or the current season, they will need to complete a Program Information Form to establish that at least 2/3 of the sets are the work of the team being entered.

A "prior team" for the current season occurs if any of the eligible team (production designer, art director or set decorator) was different - even by one individual - on any episode earlier in the current season.

To qualify for the 2/3 rule, a design team must upload beginning and end credits for the episodes being submitted and complete the Program Information Form available at emmys.com/emmys/pif.

The above 2/3 rule applies to limited series that have more than one design team.

Entries for set redesigns need to include a statement that details the design changes. Supporting DVDs that show the original design and the redesign must be submitted by June 5.

Entries with incomplete or missing Program Information Forms (PIF) will not be considered. For a series, up to three (3) episodes may be submitted by the design team as long as all entrants are credited on all three episodes to fulfill 2/3 rule requirement. Enter the minimum number of episodes to qualify for the 2/3 rule. Episodes must be listed in the order they aired and new sets calculated after each episode until the 2/3 mark is met. Extended length episodes will count as two episodes.

**Area 5 OUTSTANDING PRODUCTION DESIGN FOR A NARRATIVE CONTEMPORARY PROGRAM (ONE HOUR OR MORE)**

For a series, limited series (if credited on all parts), or for a single part of a limited series (if credited on one or more but not all parts), or for a movie or special

**Area 6 OUTSTANDING PRODUCTION DESIGN FOR A NARRATIVE PERIOD OR FANTASY PROGRAM (ONE HOUR OR MORE)**

51% of the running time must be period/fantasy scenery to be eligible.

**Area 7 OUTSTANDING PRODUCTION DESIGN FOR A NARRATIVE PROGRAM (HALF-HOUR)**

For a series or a special

Please note the Assistant Art Director who is functioning as the Art Director on a half-hour show is able to be submitted (with a petition) for Emmy consideration, but only if that show does not have another credited Art Director.

Entries in Area 7 will be recognized in two genres: multi-camera and single-camera. The number of nominees will be proportional to the number of submissions in each genre, with at least one nomination for each, provided that there is a minimum of three entries for a given track.

Area 8 and 9: A Variety show is traditionally formatted for a live audience in a multi-camera format and can include musical acts or sketch comedy pieces but not limited to all of these together. In the cases where there is a single camera fictional “arc” over the series, this project should be entered into either Contemporary, Period/Fantasy or Narrative categories. All scripted re-enactments should be entered as either Period, Fantasy or Contemporary (1/2 hour or 1 hour).
Area 8 OUTSTANDING PRODUCTION DESIGN FOR A VARIETY, REALITY OR COMPETITION SERIES

Area 9 OUTSTANDING PRODUCTION DESIGN FOR A VARIETY SPECIAL

The Costume Design and Supervision PGEC reserves the right to change an entry’s category or disqualify it, should they feel that the entry was submitted in the wrong category and also reserves the right to confirm or deny the eligibility of the entrants based on their contributions. Eligibility may also be denied for any entrant who fails to follow the rules and guidelines. The decision of the PGEC with the concurrence of the Primetime Awards Committee is definitive and final.

- Multiple episodes per series may be entered, as long as the list of entrants for each is different.

**HAIRSTYLING AWARDS**

**Emmy(s) to hairstylist(s)**

An individual may enter as either a hairstylist or makeup artist, but not both.

An individual or the identical team may enter multiple achievements in a hairstyling category if the achievements are for different programs.

The same program cannot be submitted to more than one category. No multiple submission allowed for the same production and or hairstylist in the same category. The only time a program can submit for more than one category is if there are two separate hairstyling departments that never overlap stylists. Please coordinate so there are not multiple submissions for the same production and/or stylists in the same category.

**Definition of hairstyling for Emmy recognition:** Hair styling is any change in the appearance of a performer's hair by the art of hairstyling, for example, designing, cutting, coloring, and arranging the performer's hair, as well as the designing, preparation and application of wigs or hairpieces to create a character. It is not changes caused by special lighting, camera lenses, optical effects or computer imaging. It is not for hairstyling on puppets, dummies, or any device that is not on the performer's hair or head.

Hairstylists who actually execute the hairstyles and/or design, style and apply wig(s) on a performer are eligible. An individual who only designs, supervises, or manufactures product, but does not apply, is not eligible.

**Eligibility Clarification:** Eligible hairstylist(s) entrant(s) must have been the hairstylist most responsible for the overall look of the achievement being recognized and involved with hands on styling, on the performers, on the days of production.

Each submission will consist of no more than four entrants, including the Hairstyling Department Head. A Department head hairstylist, showing just cause, may petition
the Hairstyling Peer Group Executive Committee (PGEC) and Governor to allow the submission of up to four additional hairstylists they feel have contributed significantly to the achievement for a combined total of up to eight hairstylists.

**Eligible titles include:** Department Head Hairstylist in every case, Co-Department Head Hairstylist, Assistant Department Head Hairstylist, Key Hairstylist, Additional Hairstylist, Hairstylist or Personal Hairstylist (star request) next to the entrant’s name. All entrants must be verified by a Department Head in writing. In the case of a Co-Department Head, only one Department Head may verify.

In all cases, additional entrants will be vetted and verified by the Television Academy and the Hairstylist Governor to establish eligibility. In the case of a question or dispute regarding an individual’s eligibility, the PGEC will decide eligibility. A majority vote of the PGEC will prevail.

Eligibility is subject to the final and definitive review by the PGEC and concurrent with the Primetime Awards committee.

**Series episode:** The length of the episode submitted for individual achievement may exceed, by as much as double, the standard running time of the series episodes. If the episode is in two parts, both parts may be selected as long as they do not cumulatively exceed twice the standard running time of the series episodes.

Entrants must submit a statement of up to 150 words of the techniques employed in the execution of the entry, specific to the category being entered. Statement must describe how the hairstylist executed the hairstyles in the entry they are submitting.

If the entry contains footage from previously-aired material from the current or prior awards years, a description must be attached with the entry noting this.

**Nomination requirement:** A digital upload of the program/episodes will be requested at the point of nomination.

Additionally, Hairstyling nominees will be sent a form asking if their on-set work was digitally modified in post-production. If yes, the entrant will be required to include the post-production editor’s description of how and to what degree the artists’ on-set work was modified in post-production.

**Category 42 OUTSTANDING CONTEMPORARY HAIRSTYLING**
For a single episode of a comedy, drama, limited series or a movie (non-period/character hairstyling)

An entry must be at least 51% contemporary hairstyles to be eligible.

An entry must be at least 51% Period and/or Character hairstyles to be eligible, and include changing the identity or appearance of an actor with or without the use of wigs, hairpieces or external hair appliances.

Period Hair is based in a period of time 25 years prior to the current eligibility year.

Character hairstyling is significantly changing the visual appearance of an actor to fit the new character with or without the use of wigs, hairpieces or external hair appliances. The goal is to create an end result that identically represents the real image or from the imagination of the writer, director or producers. The hairstyle is
limited to augmenting an actor by lifestyle, ethnicity, disease, gender, age, and traumas. It can be any specific era. Special hair effects are used to achieve these changes in the appearance of the actors.

**Category 44 OUTSTANDING CONTEMPORARY HAIRSTYLING FOR A VARIETY, NONFICTION OR REALITY PROGRAM**

For a single episode of a variety, nonfiction, reality series or a special (non-period/character hairstyling)

An entry must be at least 51% contemporary hairstyles to be eligible.

**INTERACTIVE MEDIA AWARDS**

The Interactive Media Awards recognize excellence in interactive media productions that extend or enhance the viewing experience of a television program or series, and in interactive media productions that stand alone as original storytelling experiences, which have been commercially deployed, domestically, in the period from June 1, 2019 - May 31, 2020.

Interactive Media entries must have been widely and openly available on a public website. Entries that were available only in a limited number of physical locations, through closed or “invitation only” websites, or exhibited solely at conferences, shows, events or festivals are not eligible.

Games are not eligible. Interactive Media entries with game-like interaction may be eligible if they are professionally-produced interactive experiences that immerse the viewer in a distinct story world, its characters, settings and style. They are typically interactive adventures or explorations that allow the viewer to act as an in-world character and follow a storyline as the experience progresses, unfolding in a way fundamentally similar to viewing a television program. Eligible entries do not involve observing others engaged in gameplay, nor test a viewer's response time, nor are win-oriented. Eligibility of such interactive media experiences shall be decided by the Interactive Media Peer Group Executive Committee with the concurrence of the Primetime Awards Committee.

Entries making use of social media and similar platforms must demonstrate excellence via substantive authorship of content and user experience to provide meaningful audience engagement, going conspicuously beyond the native capabilities, simple marketing, and current standard “table stakes” practices of usage for such platforms.

Please note: All entries are limited to one entry per program and are limited to a maximum of five entrants. Entrants may be individuals, companies, or a mix of both.

**Category 45 OUTSTANDING DERIVATIVE INTERACTIVE PROGRAM**

Emmy(s) awarded to producer(s), company(s), and/or individual(s) responsible for the integrated interactive experience of a stand-alone interactive television program related to an existing linear television program or series, or adapted from outside material. Its characters, setting and story are derivative of a television property’s larger story-world.

The interactive components of submitted programs are central and fundamental to the work itself, and emphasize viewer immersion and/or engagement. Interactivity may range from minimal, including possibly immersive executions such as 360/VR, to heavy interaction where viewer input and actions directly affect the outcome of the program.

Programs that provide only a passive, linear viewing experience without interactivity will not be considered in this category.

**Category 46 OUTSTANDING ORIGINAL INTERACTIVE PROGRAM**

Emmy(s) awarded to producer(s), company(s), and/or individual(s) responsible for the integrated interactive experience of a stand-alone interactive television program, created
originally for a digital medium. The submitted work may not be related to an existing linear television program or series, nor adapted from outside material, but must be wholly original to the digital execution.

The interactive components of submitted programs are central and fundamental to the work itself, and emphasize viewer immersion and/or engagement. Interactivity may range from minimal, including possibly immersive executions such as 360/VR, to heavy interaction where viewer input and actions directly affect the outcome of the program.

**Category 47 OUTSTANDING INTERACTIVE EXTENSION OF A LINEAR PROGRAM**

Emmy(s) awarded to producer(s), company(s), and/or individual(s) responsible for the integrated, interactive experience of a linear television program that extends storylines, segments, characters or story world onto digital platforms, which may include social platforms.

The work must demonstrate excellence via substantive authorship of content and user experience to provide meaningful audience engagement. The interactivity must go conspicuously beyond the native platform capabilities such as likes, commenting, sharing, simple marketing features, and current "table stakes" practices of usage for such platforms.

Marketing campaigns and ancillary video content intended only to promote the show are not eligible, unless they represent true programming content and extend themselves into the storylines or program, and vice-versa.

Interactive platforms such as electronic program guides, on-demand or time-shifted content viewing platforms or applications are also not eligible.

**Juried 48 OUTSTANDING INNOVATION IN INTERACTIVE PROGRAMMING**

Emmy(s) awarded to producer(s), company(s), and/or individual(s) responsible for the creation of a noteworthy, impactful interactive program or experience that advances the art and science of Interactive Media, demonstrating mastery of the form and significantly elevating the audience's viewing experience.

This award honors exceptional distinctiveness, inventiveness, and impact of the submitted work in expanding the conventions of program format, content, audience interaction, and delivery. Such work may reflect a reimagining or reworking of existing concepts and approaches in a new way, or may be an entirely novel type of experience.

Entries are reviewed and voted on by a jury panel of experts in interactive media, whose vote solely determines the Emmy winner(s). There is the possibility of one, more than one or no award given. Winner(s) are announced prior to the Creative Arts ceremony.

The jury will seek to recognize work that not only suggests a path to a possible future in interactive entertainment, but actually delivers practical execution of a new approach or implementation. Winning submissions will challenge the status quo and drive forward the industry's perception and application of interactive media in the context of television.

The jury may declare "jury finalists," and declared jury finalista(s) will receive a certificate honoring them as a finalist. Finalists do not have any of the rights and privileges of nominees. **Please carefully read the instructions below.**

**IMPORTANT NOTES—**

- Upload only the assets described below as individual files. Do not upload a folder with multiple files within it.

- Each uploaded filename must include the title of the submitted program or project, and the entry ID number.
• Double-check your work and your submitted files to ensure you have uploaded all required files, and that all assets correspond to the entry being submitted.

**DEADLINE:** The deadline for all entry materials to be uploaded is **June 5.**

**REQUIRED ENTRY MATERIALS—**

**Written Description:** *Required at the time of entry.* The description should be 1000 words or less and should include discussion of:

- **The Program** - A brief background of the linear content that is the anchor or source material for the interactive piece, or description of the story and setting for Original Interactive Programs.
- **The Goals** - A description of the overall goals and strategy of the interactive piece.
- **The Interactivity** - An explanation of the features, functionality and user experience of the interactive piece.

If you wish to include URLs/links to websites, etc. as additional supporting material, these should be included in this written description.

Entries featuring 360° video or VR/AR may want to include a list of required or available platforms for your entry, and URLs/links to download the app or content, for viewers who have access to those platforms.

**Video Demonstration:** Entrants must submit a video demonstration of no more than three (3) minutes in length. Any video longer than three minutes will **not** be accepted.

The purpose of the video is to provide a walkthrough of the actual audience/viewer experience for benefit of Peer Group voters. The video should focus on illustrating a typical user scenario, showing the design, audience flow, and interactivity of the entry. It should emphasize the interactive elements (tasks/activities, influence on story outcome, content contribution, social media integrations, augmented/virtual reality, etc.) that deepen audience involvement in the world of the program and, in some cases, with other audience members.

The Interactive Media Peer Group Executive Committee will apply a strict review standard for each submitted video to ensure that it contains a true demonstration of the key features and typical user experience of the project. Entrants should limit the degree of production "slickness," including the gratuitous use of elements and techniques that do not directly support the demonstration of the audience's interactive experience. **Submissions that appear to be primarily marketing, "sizzle," or promotional videos for the program will be disqualified.**

360° Video: Entrants whose projects include "mixed reality" content – as native 360° video, AR, or true VR content viewed through a head-mounted display – are very strongly encouraged to submit a flat equirectangular 360° video (.mp4) of the project, in addition to the standard 2D video. This is to allow viewers without the intended equipment to get at least some sense of the project experience. The 360° video may be a POV walkthrough or a simple 360° sample of the content.

The same program cannot be submitted to more than one category. Each submission will consist of no more than four entrants, including the Makeup Department Head and/or Prosthetic Designer. A Makeup Department Head and/or Prosthetic Designer showing just cause, may petition the PGEC and Governor to allow the submission of up to four additional makeup artists they feel have contributed significantly to the achievement for a combined total of up to eight artists.

Eligibility may also be denied for any entrant who fails to follow the rules and procedures.

In all cases, additional entrants will be vetted by the Television Academy and the PGEC to establish eligibility. In the case of a question or dispute regarding an individual’s eligibility, the PGEC will decide eligibility. A majority vote of the PGEC will prevail.

Eligibility is subject to the final and definitive review by the Peer Group Executive Committee in concurrence with the Primetime Awards Committee.

**Series episodes:** The length of the episode submitted for individual achievement may exceed by as much as double the standard running time of the series episodes, if they originally aired in one continuous time block with a single main title card and single end credit roll. If the episode is in two parts, both parts may be selected as long as they do not cumulatively exceed twice the standard running time of the series episodes and both episode have the same episode title.

SPECIAL VISUAL EFFECTS AWARDS

The Special Visual Effects Emmys are awarded to recognize outstanding achievement and innovation in the art of both digital Visual Effects and mechanical Special Effects.

Category 112 OUTSTANDING SPECIAL VISUAL EFFECTS
This award is to honor the overall achievement of the special visual effects within an effects-driven comedy, drama or limited series episode or a movie. Elements that typically identify effects driven programs include:

-- A program where special visual effects are present and essential to the storytelling.
-- Contain extensive use of CG characters, simulations, fully virtual environments, and/or fantasy/science fiction effects.
-- Special Visual Effects are a significant part of the episode's storytelling pattern.
-- Contain large scale mechanical or pyrotechnic effects.
-- Have large teams of artists or multiple companies in post-production.
-- May be of any genre, including superheroes, science fiction, fantasy, or historical recreations.
-- Could not have been produced without the integration of special visual effects into the production.

Category 113 OUTSTANDING SPECIAL VISUAL EFFECTS IN A SUPPORTING ROLE
This award is to honor the overall achievement of the special visual effects in a comedy, drama or limited series episode or a movie, where those effects support the storytelling without being featured.

Elements that typically identify supporting programs include:

- Set extensions, crowd replication, atmospheric effects, scientific visualizations that enhance practical production elements but rarely create the predominant component of the work.
- Routine mechanical/pyrotechnic effects.
- Naturalistic CG Characters/vehicles/objects that help support the setting, environment, mood, or to illustrate a scientific principle.
- May be historical recreations or contemporary programs as long as the work is of a real-world nature.

Elements that are NOT allowed in the supporting programs include:

- Extensive use of fully virtual environments.
- Significant CG character performances. This includes multiple instances or one featured or main CG character.
- Significant dynamic simulations. This includes multiple instances or one simulation of an extremely complex nature.
- Science fiction or fantasy elements, and other highly visible effects that one would expect to regularly see in a visual effects-driven program.

Supporting visual effects are often the type of work that are not recognized by the untrained eye.

RULES AND PROCEDURES FOR ALL SVE CATEGORIES:
Programs may submit a single episode in a single category. Fully animated programs and main title sequences are not eligible in any of these categories.

Emmy statues are awarded to the principal contributors directly involved with and primarily responsible for the visual effects achievement. Up to nine individuals may be included on the entry for Outstanding Special Visual Effects And Outstanding Special Visual Effects In A Supporting Role. The following rules and guidelines apply:
Entrants must be in job categories which are eligible for membership in the Special Visual Effects peer group. Directors of photography, editors, show producers, writers, and directors, etc. are not eligible.

Entries should include representatives of the hands-on artists, special effects technicians, and support staff that executed the work in addition to the supervisors who managed them. Entries, which do not include the principal contributors or hands-on artists, may be asked to justify this exclusion in writing.

Entrants should be people who were primarily responsible for the work. Facility management and sales people, who were not working full time on the production of the program, are not eligible for inclusion simply by virtue of being owners and management of special visual effects vendors.

No exceptions are made to the cap of individuals per entry in their respective category.

Each entry must include a written document outlining each entrant's contribution to the final product on-screen.

The Primetime Awards Committee, in consultation with the Special Visual Effects Peer Group Executive Committee (PGEC), reserves the right to confirm or deny the eligibility of the entrants based on their contributions.

For series, two-hour pilots or special extended length episodes may be submitted as a single episode, if they originally aired in one continuous time block with a single main title card and a single end credit roll. A two-parter, each part with its own main title and end credits, cannot be entered as a single, extended-length episode; rather, each part is considered a stand-alone episode.

The Special Visual Effects Peer Group Executive Committee (PGEC) reserves the right to recategorize a submission so that shows with similar scope and resources compete among peers.

As part of the entry vetting process, the Special Visual Effects Peer Group Executive Committee may disqualify any entry from competition which clearly does not represent state-of-the-art work in the special visual effects field and does not exhibit the level of excellence expected in Emmy nominees in these categories. An entry may be removed by a majority vote of PGEC members present at the vetting session.

VIDEO SUBMISSION INSTRUCTIONS:
All entries must include a video file.

Entries shall be no more than a total of 7 minutes in duration.

Each submission may include up to 3 minutes of optional "before & after" material, demonstrating visually how the work was achieved. The complete "before & after" section must follow the complete "as aired" section after 1 second of black, and must be included within the 7-minute total submission length. This "before & after" section may not include any on-camera interviews or "talking heads," but may be accompanied by music and/or voice-over narration. The "before & after" section may demonstrate only the shots which were shown in the submission's "as aired" section.

You may include a slate with the name of the entry at the head of the submission. No other slate, title card, or superimposed text shall be included within the body of the submission that wasn't as originally aired, but may be included in the "before & after" section only to better illustrate the creative process. The entry may not include the names of any entrants, Special Visual Effects facilities, or company logos. This includes the slate at the beginning and within the before & after material.

Submissions incorporating effects from more than one episode are not allowed.
Please be sure your video conforms to these parameters:

- Entries must be edited to highlight the key visual effects of the program within their dramatic context.
- Each entry must be “as aired” with sync audio and surrounding shots in their correct order. Clip reels with soundtrack embellishments or individual effects shots edited out of context are not allowed.

WRITTEN SUBMISSION MATERIALS:

**ENTRANT CONTRIBUTION:** Each entry must include a written document summarizing the individual contribution each entrant made to the production.

**SUPPLEMENTAL JUDGING MATERIAL:** Additionally, each entry may also include an **optional** brief written description of the program’s visual effects that corresponds to the entry video. This is especially important for entries which do not include before & after material in their video presentation. This document may contain visual representations of how the effects were accomplished, and it may include storyboards, diagrams and still photographs that pertain specifically to the shots being described. The written material must not include the names of any entrants, Special Visual Effects facilities, company logos nor any cast or crew names.

Character names are acceptable within a description, but the emphasis must be on the work and not any individuals. It is recommended that entrants use large text, emphasizing pictures instead of words, and focus on the key achievements in a concise and informative manner. A PDF of the written material must be uploaded to the entry and will be made available to the SVE voting members.

**DEADLINE:** The final deadline for these materials to be uploaded is **June 5.**

APPENDIX I

PROGRAM AWARD PRODUCER ELIGIBILITY GUIDELINES
(Excludes Documentary or Nonfiction Programming)

A priority of the Television Academy is preserving the value of the Emmy Award and ensuring
that those who are most deserving and actively involved are the ones honored with
nomination.

Toward that end, the Television Academy has implemented a process by which eligibility is
established, and determines and verifies the factors of credit and function. The Television
Academy’s goal is to be as inclusive as possible, while maintaining the diligence that is
necessary to preserve the integrity of the Emmy Award.

ELIGIBILITY
Producer eligibility is determined by a combination of credit and function:

1. Credit – The individual must receive an on-screen credit of: Executive Producer, Co-
   Executive Producer, Supervising Producer, Producer or Produced By and, in the case of a
   series, receive that credit on at least 50% of the episodes aired in the current eligibility year.

2. Function – To be eligible, a producer must have substantial or final control over creative
   and financial aspects of the production such as: creating, selling, casting, staffing, pre-
   production, production and post-production. On a series, the individual must perform these
   producing functions on at least 50% of the episodes aired in the current eligibility year.

3. Consulting Producers (Comedy and Drama Series categories) – In exceptional cases,
   producers credited with a "Consulting Producer" title on a majority of the episodes of a
   Comedy or Drama Series originally produced during the eligibility period may be deemed
   eligible for awards consideration if they function at a senior level of producers on a full-time
   basis but, due to internal production practices, received a credit of "Consulting Producer."

   In order to ensure a comprehensive and objective review of the "Consulting Producer" credit
   exception request, the Television Academy will seek eligibility recommendations from the
   Producers Guild of America (PGA). The Guild requires that all producers credited with eligible
titles submit an "Eligibility Form," which confirms their voluntary participation in the
determination process. Because the Emmy is granted only by the Television Academy, final
eligibility determinations remain at the sole discretion of the Television Academy.

The following individuals are not eligible regardless of screen credit:
   • Corporate Executives (i.e. studio executives, network executives, etc.)
   • Professional Representatives (unless they qualify under Function #2 above)
   • Concert promoters
   • Producers from a medium other than television who have packaged and handed off
     key components of their production

4. Producing Team Size Caps – The maximum size of the eligible show producing team is
   based on the average team size of eligible producers in the category over a prior five-year
   period. Vetted producers are then sequenced by function. Any exception to these limits would
   be based on the determination that all the members of the proposed team meet the highest
   level of the function criteria.
