

## PRIMETIME EMMY® AWARDS

### OUTSTANDING ACHIEVEMENT IN ENGINEERING DEVELOPMENT

#### 2021 OFFICIAL ENTRY

#### CONTEST PROCEDURE:

The Engineering Awards Committee is composed of highly qualified Academy members appointed primarily from technically oriented Peer Groups. The Committee will consider engineering developments and determine which, if any, merit an Emmy.

Emmy(s) to an individual or a company for developments in engineering that are either so extensive an improvement on existing methods or so innovative in nature that they materially affect the production, recording, transmission or reception of television. Possibility of one, more than one, or no award.

#### ENTRY PROCEDURE:

Complete and return the attached form by **June 1, 2021**. If you have additional print or A/V materials describing the submitted development, please include them with the form. After reviewing the form and any ancillary materials, the committee may request more specific information.
