

2018 EMMY® AWARDS GOVERNORS BALL VENDOR BIOS

LA PREMIER

FLORAL AND EVENT PROFESIONALS

With over 25 years of experience in the luxury florals production industry, the LA Premier team has the service experience and design sensibilities that set them apart as one of Los Angeles' top Designer Florists. LA Premier has been part of the Emmy® Awards Governors Ball events for over ten consecutive years, along with the Oscars, Grammys, and numerous other celebrity events and movie premieres. LA Premier has cultivated some of the best designers in the industry and continues to create some of the most opulent and stylish designs in the world of florals and events.

ShowPro provides lighting, projection, audio, video and staging to the corporate meeting, special event, and live entertainment industries. ShowPro brings world-class, broadcast level production to events, meetings, exhibits and shows. Interactive projection and displays, state-of-the-art automated LED lighting fixtures, current digital controllers and consoles, high-impact display equipment including mapped video projection, and concert and distributed sound systems, are the tools that achieve these lofty goals. They have had the opportunity to work on all major awards shows including the Grammys, the Emmys, the Oscars, presidential campaigns, internationally broadcast fashion events, installations at major music festivals, cross country traveling art shows, comprehensive installations at theme park attractions, and even sound, lighting and video for His Holiness the Dalai Lama in an arena for 18,000 people. Their model is focused on customer service. ShowPro celebrates its 20th year in business this year.
